

Manju Ahuja Short Biography

Manju Ahuja is a Professor and Chair of the CIS Department at the College of Business, University of Louisville, Kentucky. She has previously held faculty positions at the Kelley School of Business, Indiana University, Florida State University, and Pennsylvania State University. Her publications have appeared in journals such as *MIS Quarterly*, *Management Science*, *Information Systems Research*, *Organization Science*, *Communications of the ACM*, *Journal of Management*, *European Journal of Information Systems*, *Small Group Research*, *Decision Support Systems*, *Database for Advances in Information Systems*, and the *Journal of Computer-Mediated Communications*. A recent study (Gallivan and Benbunan-Fich, 2006) ranked her among the top 100 (normal count rank 11th and adjusted count rank 74th) IS researcher worldwide for the period 1999-2003.

Manju has served as an Associate Editor at *Information Systems Research* (2006-08) and a guest Associate Editor at *Management Science*. She is Program Chair-Elect (2009) of the *Academy of Management's* OCIS division and Placement Chair for the International Conference on Information Systems Conference (ICIS) and Americas Conference on Information Systems (AMCIS) for 2010. She has also served on the review board of the *Journal of Association of Information Systems* and guest Co-editor for *Information, Technology, and People* (2005-06) as well as *Database for Advances in Information Systems* (2004).

She is actively involved in research on issues related to virtual communities, virtual teams, and management of human resources in IT professions. She has received three National Science Foundation grants totaling \$1,095,000 for her research on IT workforce issues. Her research has been cited by publications such as *Wall Street Journal*, *Strategy+Business*, and *Computerworld*.

ACADEMIC EXPERIENCE

- 2009- Professor and Chair, Computer Information Systems, College of Business, University of Louisville, Louisville, KY.
- 2007-2009 Associate Professor and Chair, Computer Information Systems, College of Business, University of Louisville, Louisville, KY.
- 2001-2007 Assistant Professor, Information Systems, Kelley School of Business, Indiana University, Bloomington, IN.
- Summer 2002 Visiting Scientist, School of Computing, National University of Singapore.
- Fall 2005 Visiting Faculty, Indian School of Business, Hyderabad, India.
- 1996-2001 Assistant Professor, Information and Management Sciences, College of Business, Florida State University, Tallahassee, FL.
- 1995-1996 Assistant Professor of MIS (visiting), Smeal College of Business Administration, Pennsylvania State University, State College, PA.
- 1993-1994 Adjunct Instructor, Katz Graduate School of Business, University of Pittsburgh, PA.
- 1990-1993 Graduate Research Assistant, Katz Graduate School of Business, University of Pittsburgh, PA.
- Spring 1990 Lecturer (Management Information Systems), Northern Territory University, Australia.
- 1987-1989 Adjunct Professor, Raritan Valley Community College, NJ.

RELEVANT WORK EXPERIENCE

- 1985-1990 **Systems Analyst**, Raritan Valley Community College, Somerville, NJ.
Designed, implemented and maintained-line mainframe systems using CICS; designed and maintained databases for on-line applications; led several design teams for mainframe and micro-based systems; solely responsible for planning, writing, implementing a large-scale menu-driven community education system that included capabilities for registration, billing, and scheduling courses; provided technical support to end-users; participated in long and short-range information systems planning.
- 1984 **Consultant**, Earthhouse Inc., Franklin, NJ.
Recommended, designed and implemented micro-based financial system; trained users.

1983-1984 **Systems Analyst III (Intern)**, Parks and Recreation Department, New York, NY.
Participated in planning specifications for a CAD-CAM system for the New York State Parks and Recreation Department; evaluated vendors; wrote request-for-proposals.
