EDUCATION

Ph.D.: Economics, The Ohio State University, March 1986.

M.A. : Economics, The Ohio State University, December 1984.

B.A. : Economics, National Taiwan University, June 1978.

ACADEMIC AND PROFESSIONAL APPOINTMENTS

Associate Professor, Department of Economics, University of Louisville, August 1995 - Present
Primary responsibilities involve teaching, research and advising MBA students and undergraduate business majors.

Consultant, GE Capital/Card Service Information Management, Phoenix Arizona, 1998
Collected and analyzed payment patterns of delinquent private-labeled cardholders
Built models to predict/simulate the likelihood of payment under reaffirmation
Estimated the NPV of reaffirmation for different strategies

Consultant, Bank of Louisville, Louisville Kentucky, May 1996 - August 1996
Designed a profitability simulation model to estimate the average profit of various types of checking and time/savings accounts. The model was used by the bank as a major input for its pricing strategy and product design.

Assistant Professor, Department of Economics, University of Louisville, August 1991 - June 1995
Primary responsibilities involve teaching, research and advising MBA students and undergraduate business majors.

Economist, Market Analysis and Forecasting, AT&T, June 1990 - August 1991
Responsible for modeling and forecasting the demand and revenue for Operator Handled and Calling Card long distance calls. Additionally accountable for competitive assessments to identify market share losses, and support functions for various departments.

Assistant Professor, Economics Department, Texas Tech University, August 1986 - August 1991
Primary responsibilities involve teaching, research and directing Ph.D. students in their

dissertations. Courses taught include *Advanced Macroeconomic Analysis*, *Empirical Studies in Macroeconomics* and *Price and Income Theory* at the graduate level; and *Intermediate Macroeconomics*, *Money and Banking* at undergraduate level.

Visiting Assistant Professor, Economics Department, Southern Methodist University, August 1985 - May 1986

Taught undergraduate level courses, *Intermediate Macroeconomics*, and *Money and Banking*. Directed graduate students in their research.

Graduate Teaching Assistant, Economics Department, The Ohio State University, September 1981 - June 1985

Taught undergraduate level courses, *Principles of Microeconomics*, *Principles of Money, Banking and Credit*, and *Principles of Macroeconomics*.

Research Assistant, Economics Department, The Ohio State University, September 1980 - 1981
Worked for Professor Jerry G. Thursby and Professor Richard G. Anderson. Collected data, estimated regressions, and analyzed the results of working projects.

Researcher, The Central Bank of the Republic of China, October 1979 - July 1980

Prepared annual performance reports and income statements of the Central Bank for publication. Analyzed the international money markets and presented the results to the Chairman of the Central Bank.
