- Comparative Economics
- International Economics
- Defense and Peace Economics
- Political Economy of Post-Communist Transitions
- Economics and Politics of Immigration
- Entrepreneurship

## **Teaching and lecturing experience**

*Academic courses:* International Economics (undergraduate and graduate), Principles of Microeconomics, Principles of Macroeconomics, Intermediate Macroeconomics, Foundations of Economics (graduate), Economies of Emerging Markets, Economic Development, Comparative Economic Systems, Soviet and Post-Soviet Economies, Theories of Capitalism and Socialism, International Relations.

*Invited presentations:* Presented lectures and seminars on economics and politics of transition and Soviet economy at Harvard, Columbia, MIT, Tufts, Brown, Johns Hopkins, Berkeley, Stanford and other U.S. universities and colleges. Lectured in Canadian Universities: University of Western Ontario, University of British Columbia, Dalhousie University (N.S.) and Memorial University (N.F.). Lectured on topics of international economics and international relations during visits to China, West Germany and the German Democratic Republic, Portugal and Italy, Austria, Sweden, Finland and Netherlands.

*Lectures and seminars in the USSR/Russia:* Lectured and conducted seminars for more than 15 years on topics of international economics, international relations and Soviet economics and politics for Soviet and foreign audiences in Russia and other Soviet republics, including lectures and seminars on international economics at the Moscow State University and Moscow Management Training Institute.

## **Business and consulting experience**

*In the US:* Since 1995 as a co-director of the Center for Emerging Market Economies at the University of Louisville helped to initiate, organize and conduct management-training courses at the University of Louisville for managers and entrepreneurs from the former USSR. Served as a business consultant at the International Management Center of the University of Tulsa (1992/94). Helped to organize management-training programs for foreign nationals, and conducted business surveys for US companies.

*In the USSR/Russia:* During 1987/91 period worked as a Moscow-based consultant and helped to launch some of the first private and joint-venture companies in the USSR in real estate, finance, advertising, hospital services, food-processing and hotel and tourist business.

## **Media experience**

*Columnist/Editor:* Columnist of Newsweek International (1990 to present); Editorial board member (1989/1994) of Business in Russia, economic and business monthly; Contributing editor of The New Economy, a bi-monthly on defense conversion, 1991/95; U.S. Economic correspondent and New York bureau chief of The Moscow News weekly, 1992/93.

*Contributor/Commentator:* Commented on topics of international development, in The Washington Post, Newsweek, The Christian Science Monitor, The Boston Globe, The Globe and Mail, International Herald Tribune, Le Figaro and other publications. Interviewed by the CNN,

NPR, ABC "Nightline News" and "Good Morning America", McNeil/Lehrer NewsHour, MS-NBC and World Monitor TV programs (USA), CBC Radio and CBC TV (Canada), Fuji TV (Japan), BBC Radio (Britain) and other networks. Commented on domestic and international developments in leading Soviet publications, on the Soviet TV and radio.

### **Professional memberships**

American Economic Association; Union of Radical Political Economists (URPE), Comparative Economic Studies Association, ECAAR (Economists Allied for Arms Reduction), Midwest Economic Association.

### **Recent publications**

(Russian language publications are denoted by "R")
